ARYAN KHATRI
AI ENGINEER

khatriaryan880@gmail.com | 8595165654 |Linked in | My portfolio

- Python
- Matplotlib
- Scikitlearn
- MySQL
- seaborn
- Pandas
- Numpy

ABOUT ME:
- I have a strong interest in machine learning and data science and am passionate about exploring the potential of these fields to drive innovation and solve real-world problems.

PROJECT:

AI voice assistant:

- Developed an AI voice assistant during the first year of engineering. Took full responsibility for technical aspects, including coding and implementation. Conducted research to enhance the assistant's performance. Explored and identified Python libraries to improve capabilities. Gained hands-on experience in AI development. Deepened understanding of Python for real-world applications.

Portfolio website:

- Designed and developed a personal portfolio website. Utilized HTML, CSS, and JavaScript for front-end development. Created a responsive layout for optimal viewing on different devices. Focused on intuitive user interface and seamless navigation. Showcased projects, skills, and experience effectively. Gained practical experience in web design and user experience.

QUALIFICATIONS:

B.Tech **of Computer Science - Software Engineering(ai/ds) | 2023 - 2027 | Poornima University**
